ORDER

By order dated December 10, 2010, we abated this appeal pending the district court's consideration of Appellants' post-judgment motions. We directed Appellants to file a status report if the district court had not issued a decision within 30 days. Appellants have filed a status report indicating that the district

court has not yet decided their motions. We have also independently confirmed that as of the date of this order, the post-judgment motions remain pending.

Accordingly, this appeal remains abated. Appellants are directed to file a notice of the entry of any order regarding his post-judgment motion and copy of the order within seven (7) calendar days of the date that it is entered. If no order is entered within *30 days* of the date of this order, Appellants shall file another status report with this court at that time. The parties will receive additional direction after the occurrence of one of these events.
