Mr. Faught,

This is in response to the cease and desist order dated October 25th, 2016. I was assured by Conestoga that they had received approval by the State of Oklahoma to sell life settlements. It was also my understanding that an RIA would handle the transactions. I did not solicit business in Oklahoma but was called by a person who wanted to participate in one. I no longer sell life settlements and have retired. I am unable to attend a hearing and I feel it is Conestoga's responsibility to take care of this matter as they gave me assurances that they had received approval in Oklahoma to do business.

Thank you,

Peter Viater
