(15) days after the first sale of a security in this state for which a notice is required. (Emphasis added.)

(b) Content of Notice. Each required notice shall include the following:

* * *

(3) the filing fee set forth in [§ 1-612.A.19 of the Act.]

According to NASAA EFD, your notice filing is late since the first sale in Oklahoma occurred on June 29, 2022, and that notice was not filed with the Department until July 1, 2024.

Therefore, please submit the Two-Hundred Fifty Dollar (\$250) late fee, set forth in § 1-612.A.20 of the Act, to the Department no later than October 16, 2024. Your failure to submit the appropriate fees, as with other violations of the Act and Rules, may be subject to administrative, civil and criminal sanctions and penalties.

Further, you are cautioned to review and comply with the applicable provisions of the Act and Rules in connection with its activities in and/or from the state of Oklahoma. You should seek private legal counsel prior to engaging in activities that are subject to the Act and Rules and/or when relying on an exemption or exclusion from the Act.

This letter should not be interpreted to mean that the Department has approved or condoned any prior, current, or future offers or sales of securities by you, in and/or from Oklahoma, nor does it foreclose future action by the Department.
